

**Western Contra Costa Transit Authority
Anticipated Disadvantaged Business Enterprise (DBE) Goal
Federal Fiscal Years 2022-23 thru 2024-25**

SUMMARY

WCCTA is a recipient of United States Department of Transportation (U.S. DOT) federal funds (WCCTA does not have subrecipients). As such, and in accordance with Title 49 of the Code of Federal Regulations, Part 26 (49 CFR Part 26), Western Contra Costa Transit Authority (WCCTA) implements a Disadvantaged Business Enterprise (DBE) Program to ensure nondiscrimination in the award of federally funded contracts. As part of this program, WCCTA must establish a triennial goal for DBE participation in all contracts that are to be funded with Federal Transit Administration (FTA) funds. A DBE firm is defined as a for-profit "small business concern" that is at least 51 percent owned and controlled by one or more socially and economically disadvantaged individuals. DBE firms are certified as such through Unified Certification Programs established in each state.

During the triennial period FFY 2023-2025, WCCTA anticipates using the majority of its federal funding to purchase rolling stock, which is not subject to the goal setting process. However, as a result of the COVID-19 pandemic, WCCTA received federal funds to specifically assist with Operations. These funds will be used to supplement the cost of providing fixed-route operations as well as mandated ADA paratransit. WCCTA currently contracts its fixed-route and paratransit service to one private contractor, MV Transit, and applies the ADA operating assistance toward supplementing the costs of operating ADA paratransit service. Within the next triennial period, WCCTA will also expend additional federal funds to support fixed-route service.

With limited contracting opportunities and no DBEs available in WCCTA's local area market to perform transit operations, the Anticipated Disadvantaged Business Enterprise (DBE) Goal for this triennial period is zero (0) percent. WCCTA will also continue to participate in program outreach to DBEs and Small Business Enterprises (SBEs) using funds received from sources other than the FTA. However, this goal only details new contracting opportunities planned with FTA funds

DEVELOPMENT OF ANTICIPATED DBE GOAL

As an eligible recipient of federal funding, WCCTA is required to comply with 49 CFR Part 26, which states that grantees must establish and implement a DBE program and set triennial DBE participation goals.

While disadvantaged business opportunities for federally funded projects during the triennial period 2023-2025 are not anticipated, WCCTA will continue to seek small and disadvantaged business participation on contracts, regardless of funding source.

However, only those contracts planned to fund all or in part with FTA funds, are included in the triennial goal development.

The methodology to calculate the DBE participation goal is a two-step process described in 49 CFR Part 26. Step-One of the methodology establishes a base figure for the anticipated contracts to be awarded in the period. The base figure is derived from the relative availability of DBEs that are ready, willing and able to participate on these anticipated contracts. Step-Two relies on WCCTA's knowledge of its contracting markets and previous history of DBE participation to determine if an adjustment to the base figure is needed. The calculation using the two-step methodology results in a DBE Goal of zero (0) percent for FFY 2023 FFY 2025. This methodology is outlined in Attachment 1.

The Overall DBE goal is typically split into race-neutral and race-conscious components. Race-neutral participation occurs when a DBE obtains a contract or subcontract through customary procurement procedures where there was no contract goal or its DBE status was not considered in making the award. Race-conscious DBE participation is the portion of the overall goal that focuses on assisting only DBEs, where a contract's DBE goal is explicitly stated to encourage DBE participation. WCCTA will continue to operate a Race-neutral DBE Program. WCCTA will also continue to supplement its DBE Program with a Small Business Enterprise (SBE) Program.

OUTREACH/PUBLIC COMMENT PERIOD

In accordance with the public participation requirements of 49 CFR Part 26.45, and having received Board approval, WCCTA has posted its DBE Goal on its official website. See Attachment 2.

WCCTA has sought and encouraged public participation input from minority, women's and general contractor groups, through its participation as a member of the BOC (Business Outreach Committee). This consortium of 26 Bay Area Transit and Transportation Agencies assists Disadvantaged Business Enterprises (DBEs) and other small companies with expansion of their businesses through training, technical assistance, and relationship-building with agency staff and the contracting community of the San Francisco Bay Area. WCCTA attends monthly BOC meetings and contributes to the achievement of BOC projects.

On April 11 & 26, 2022, WCCTA participated in the BOC's Public Participation Meetings that provided members of the public with the opportunity to learn about upcoming transportation projects and provide input on the goal-setting process for federally assisted contracts for Federal Fiscal Years (FFY) 2022-23 through 2024-25 (Event summary Attachment 3). These meetings were attended by regional transit agencies where vendors, contractors and government contracting personnel from these transit agencies met to discuss upcoming projects and exchange information on how to connect with these agencies for contracting opportunities. WCCTA continues to seek

on-going public participation from community organizations through public meetings and public planning documents comment periods on up-coming projects. Publication of outreach events is presented in Attachment 4.

WCCTA's public participation and outreach activities are designed to broaden awareness of WCCTA's Disadvantaged Business Enterprise Program beyond federal dollars. Furthermore, the measures described in 49 C.F.R. Part 26.51, focusing on race-neutral means will be actively pursued, and WCCTA will encourage its contractors to also make similar outreach efforts to include DBE participation in subcontracting opportunities. In addition to consultation with the BOC and CUCP, WCCTA will continue to organize and offer informational programs for establishing DBE goals, meeting DBE eligibility requirements, familiarizing potential contractors with WCCTA procurement procedures and requirements, and to otherwise develop, effective programs to further the inclusion of DBEs in all WCCTA contracting activities. These efforts include but are not limited to face-to-face, interactive meetings with local minority/small business organizations

Summary of public outreach comments

WCCTA did not receive any comments during or after the public participation process therefore no changes to the goal were made.

ANTICIPATED DISADVANTAGED BUSINESS ENTERPRISE (DBE) GOAL METHODOLOGY: FFY 2022-23 THRU 2024-25

The methodology to calculate an agency's DBE goal is a two-step process described in 49 CFR Part 26. Step-One of the methodology establishes a base figure for new federally funded contracts anticipated to be awarded in the upcoming three Federal Fiscal Years (October 1 – September 30). This calculation has been done for contracts anticipated to be awarded between October 1, 2022 and September 30, 2025.

The base figure is derived from the relative availability of DBEs that are ready, willing, and able to participate on these anticipated contracts. Step-Two relies on the agency's knowledge of its contracting markets and previous history of DBE participation to determine if an adjustment to the base figure is needed. The calculation using the two-step methodology results in an Anticipated DBE Goal of 0% for FFY's 2023-2025 for the WCCTA. This methodology is outlined below.

Step-One Process: Development of Base Figure

The initial step in developing an Anticipated DBE Goal is to determine the market area for consultants who have demonstrated an interest, or are anticipated to participate in WCCTA contracts. WCCTA's market area consists of the nine Bay Area counties: Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, Santa Clara, Solano and Sonoma.

WCCTA's service area comprises just over 20 square miles of West Contra Costa County, including the cities of Pinole and Hercules and the unincorporated areas of Montalvin Manor, Bayview, Tara Hills, Rodeo, Crockett, and Port Costa. The area is bounded to the north by the Carquinez Strait, the city limits of Pinole and Hercules to the east, the Richmond city border to the south, and by San Pablo Bay to the west. In addition, WCCTA operates regional service between Martinez and the Hercules Transit Center, Transbay service between the Hercules Transit Center and the San Francisco Transbay Terminal, and regional service between the Hercules Transit Center and Contra Costa College. Currently, population in the WCCTA service area is approximately 73,000 inhabitants. The nine-county Bay Area is the most appropriate market area for WCCTA to use in its goal-setting methodology.

During the triennial period FFY 23-25, WCCTA anticipates using the majority of its federal funding to purchase rolling stock, which is not subject to the goal setting process. However, WCCTA has been provided with federal relief funds to support Operations, in addition to supplemental funds to supplement the cost of providing ADA service. WCCTA currently contracts Operations to one private contractor, MV Transit, to provide both fixed route and paratransit service. To determine the number of DBEs available to perform this service in WCCTA's nine county market area, WCCTA searched the California Department of Transportation's CUCP database for DBEs that are certified in the identified NAICS code. To determine the number of all firms (DBEs and non-DBEs) in the nine county market area, WCCTA searched the United States Census Bureau's most recent California Business Patterns (CBP) database for all firms in the identified NAICS code. The ratio of DBE firms to non-DBE firms is then calculated by dividing the number of DBEs available in a particular NAICS code by the number of all firms in that NAICS code.

Finally, the Step-One Base Figure results from multiplying the DBE ratios group by the corresponding weight, and summing the results. The calculation of the Step-One Base Figure is shown in Attachment 1.

The Step-One Base Figure, weighted by type of work to be performed, is zero (0).

Step-Two Process: Adjustment to the Base Figure

The purpose of the analysis in Step-Two is to make a determination based on relevant evidence available to WCCTA if any adjustments to the Step-One Base Figure are justified. WCCTA's DBE participation history can assist in determining whether an adjustment to the Step-One Base Figure is warranted.

With limited contracting opportunities anticipated in the triennial period 2022-23 through 2024-25, and no DBEs available to perform operations services, adjustments were deemed unnecessary. In addition, during the previous three years this agency did not increase DBE participation with FTA assisted contracts through outreach and business development efforts. Therefore, WCCTA determined, based on relevant evidence available, that an adjustment was unnecessary. The overall Anticipated DBE Goal or the Step-Two Adjusted Figure, is 0%.

Conclusion: The Anticipated Disadvantaged Business Enterprise (DBE) Goal for FFY 2023-2025 is 0%.

Attachment 1

FFY 2022-23 through 2024-25 DBE Goal Methodology

Step 1 – Determine the weight of each type of work by NAICS Code:

FTA Assisted Contracts

	NAICS Code	Project	Amount of DOT funds on project:	% of total DOT funds (weight)
1	485113 Bus and other Motor Vehicle Transit Systems	Operations – Fixed Route and ADA Paratransit	\$3,352,549	1.0000
	Total FTA-Assisted Contract Funds		\$3,352,549	1

Step 2 - Determine the relative availability of DBE's by NAICS Code:

	NAICS Code	Project	Number of DBEs available to perform this work	Number of all firms available (including DBEs)	Relative Availability
1	485113 Bus and other Motor Vehicle Transit Systems	Operations – Fixed Route and ADA Paratransit	0	16	0.0000
	Combined Totals		0	16	0.0000

Overall DBE Availability

Continued

Step 3 - (Weight) x (Availability) = Weighted Base Figure

	NAICS Code	Project	Weight	x	Availability	Weighted Base Figure
1	485113 Bus and other Motor Vehicle Transit Systems	Operations – Fixed Route and ADA Paratransit	1.0000	x	0.00000	0.00000
					Total	0.0000
					Expressed as a % (*100)	0.00%
					Rounded, Weighted Base Figure:	0%

BUSINESS CENTER

DBE and SBE Programs

WestCAT, continually seeks out new partnerships with businesses to improve our service to the residents of Western Contra Costa County. If you would like to be added to our vendor list, please download and complete our Vendor Form: [Click here to download Vendor Form \(PDF\)](#)

You may also request a form by mail by calling 510-724-3331 and ask to speak with the DBE Liaison Officer.

DBE Program Policy Statement and Program Objectives

The Western Contra Costa Transit Authority, herein after referred to as "WestCAT", has established a Disadvantaged Business Enterprise (DBE) program in accordance with regulations of the U.S. Department of Transportation (DOT), 49 CFR Part 26. WestCAT has received Federal financial assistance from the DOT, and as a condition of receiving this assistance, WestCAT has signed an assurance that it will comply with 49 CFR Part 26.

It is the policy of WestCAT to ensure that DBEs, as defined in 49 CFR Part 26, have an equal opportunity to receive and participate in DOT-assisted contracts. It is also our policy:

- To ensure nondiscrimination in the award and administration of DOT-assisted contracts;
- To create a level playing field on which DBEs can compete fairly for DOT-assisted contracts;
- To ensure that the DBE Program is narrowly tailored in accordance with applicable law;
- To ensure that only firms that fully meet 49 CFR Part 26 eligibility standards are permitted to participate as DBEs;
- To help remove barriers to the participation of DBEs in DOT assisted contracts;
- To assist the development of firms that can compete successfully in the market place outside the DBE Program.

WestCAT's policies prohibit discrimination against any person because of race, color, sex or national origin, in the award or performance of any contract subject to the requirements of 49 CFR Part 26.

WestCAT requires its employees, agents and contractors to adhere to the provisions of this Program. It is the responsibility of the DBE Liaison Officer (DBELO) for implementing all aspects of the DBE program.

WestCAT in its financial assistance agreements with the Department of Transportation accorded the implementation of the DBE program the same priority as compliance with all other legal obligations incurred. WestCAT disseminated this policy statement to the WestCAT Board of Directors, WestCAT's staff and all of the components of our organization. We have distributed this statement to DBE and non-DBE business communities that perform work or are interested in performing work for us on DOT-assisted contracts.

DBE Goals

Federal Fiscal Years 2023-2025

In accordance with requirements of the U.S. Department of Transportation as set forth in 49 C.F.R. Part 26, as amended, Western Contra Costa Transit Authority (WCCTA) hereby notifies the public that it has calculated its anticipated goal for applicable professional services contracts during Federal Fiscal Year (FFY) 2023-2025. The overall total DBE goal calculation for FFY2023-2025 is 0% and applies to Federal Transit Administration funded contracts. Information pertaining to this goal calculation and a description of how it was determined is available for inspection from 9:00am - 4:00pm at WCCTA's Administrative Office located at 601 Walter Avenue, Pinole, CA 94564 for 30 days following the original date of publication of this notice on May 16, 2022.

Written comments on this goal will be accepted for 45 days from the original date of publication of this notice on May 16, 2022. The comments may be sent to: Western Contra Costa Transit Authority, Attn: DBE Liaison Officer, 601 Walter Avenue, Pinole, CA 94564 or emailed to WestCAT DBELO

Business Outreach Committee Public Participation Summary

Public Participation Meeting - April 26

Presentation: https://www.goldengate.org/assets/1/6/april_26_public_participation_meeting_presentation2.pdf

Recording: <https://goldengate.webex.com/recording/service/sites/goldengate/recording/1327905ea7b0103ab9ff1aca0dfb00a6/playback> Password: ppm426

Public Participation Meeting - April 26:

Registration Total: 37	
Public	BOC Member Representatives
20	17
Attendance Total: 29	
Public	BOC Member Representatives
10	19

Comments Received:

- How do you address when goals are not met? BOC responded that an agency has to do a shortfall analysis which details the conditions

that prevented the agency from meeting the goal and a corrective action plan detailing how the agency will mitigate future shortfalls. It was also noted that an agency can ask the Federal Transit Administration to approve a singular contract to use race-conscious goals using another agency's disparity study if there are similarities in the contracting opportunities; getting more firms certified as DBEs; and encouraging DBEs to attend pre-proposal conferences to network with prime contractors can assist in meeting goals.

- It was stated that many businesses are not government procurement sound and benefit from business development programs. BOC responded that the BOC provides resources and workshops to assist the DBE and small business community. The BOC also partners with NorCal PTAC and other businesses such as SCORE to promote the free resources available to assist DBEs and small businesses. Many larger transit agencies also offer business development programs.
- A participant who works with DBEs in the Central Valley stated that he wanted to offer similar public participation outreach as the BOC to the Central Valley and was interested in attending future BOC outreach events. The BOC shared a Federal Transit Administration YouTube channel and the U.S. Department of Transportation's "DBE Community of Practice Training Sessions" as additional resources.

Questions During Registration:

- How do you determine the percentage DBE per project solicitation? When it is below 10%DBE we have more challenges finding teaming opportunities.

Public Participation summary

Consultation Meeting April 11:

Recording: <https://goldengate.webex.com/recordingservice/sites/goldengate/recording/2328ab639be2103abf7bca6d6344b975/playback> Password: con411

On March 8, 2022, an electronic invitation letter to Community Based Organizations (CBOs) was sent to 90 e-mails. The invitation was also

distributed via U.S. Postal mail on March 10, 2022, by Tri Delta Transit. Various trade groups, minority, women's and general contractor groups, community organizations, and technical resource groups from the San Francisco Bay Area were invited such as the African American, Asian, Black, Hispanic, Filipino, Japanese, American Indian Chambers of Commerce; the Bay Area Builders Exchange, the San Francisco Builders Exchange and the Sacramento Builders Exchange; the U.S. Small Business Administration; National Association of Women Business Owners San Francisco Bay Area Chapter and Silicon Valley Chapter; Marin Builders Association; Veterans Business Outreach Center; National Organization of Minority Architects San Francisco Chapter; Women in Consulting San Francisco Chapter; Department of General Services Office of Small Business Certification and Resources; National Association of Women in Construction; American Subcontractors Association; Small Business Development Centers; and NorCal Procurement Technical Assistance Center (PTAC). A total of 4 organizations registered but only two were present. Representation from Norcal PTAC and the U.S. Small Business Administration attended the consultation session.

Consultation Meeting - April 11:

Registration Total: 4	
Public	BOC Member Representatives
3	1
Attendance Total: 22	
Public	BOC Member Representatives
2	20

BOC Questions for Discussion:

The BOC asked questions to get feedback on issues within the DBE/SBE community, challenges to the DBE program, and how agencies can better assist DBEs/SBEs. The questions included:

- What are the major barriers for your members in competing for contracting opportunities?
- What trades are there a lack of/plethora of DBE participation?
- What are some recommended strategies to attract and increase DBE participation?
- Do you have suggestions for resources and references that the BOC should develop, maintain, and disseminate to your members?
- How can the Business Outreach Committee assist you in your mission?

Comments Received: Norcal PTAC and SBA

- One of the barriers is that some of the primes are reluctant to use DBE certified firms because they are new and/or don't have prior experience.
- Pre-proposal conferences are good for DBE firms to meet the primes and see what requirements are for projects.
- SBA does liaison work with federal agencies and would like to support outreach efforts and information sharing to help reach the small business community.
- Most of the agencies that are federally funded do not have a procurement feature for vendors to "opt in" or post a vendor ad to reach a prime for a construction or professional services contract.
- Why have the majority of transit agencies not listed their DBE goals? A response was provided that several agencies were still finalizing their proposed goals and there is another BOC Public Participation Meeting scheduled for April 26, 2022 and that MTC and

VTA would also host a Public Participation Meeting on June 7, 2022 that would include additional transit agencies.

- How many of the transit agencies that receive over \$100 million dollars conducted a disparity study? A response was provided that BART, VTA and Golden Gate Bridge, Highway, and Transportation District were doing a disparity study. It was noted that a disparity study is a challenge as it costs approximately \$1/2 to 3/4 of a million dollars and takes on average 3 years to complete.
- NorCal PTAC encouraged transit agencies to use them as a resource to assist small businesses.

Public Participation Meeting - April 11

Presentation: https://www.goldengate.org/assets/1/6/final_public_participation_meeting_presentation_april_11_2022.pdf

Recording: <https://goldengate.webex.com/recording-service/sites/goldengate/recording/533db8799bf3103a9ca9c22ff4ecfe39/playback> Password: ppm411

The BOC offered two separate Public Participation meetings held via the Cisco Webex Platform on April 11 and April 26, 2022. The meetings were open to the public to receive comments and questions on the overall goal setting process, discuss the proposed projected DBE goals from each participating agency, and answer any questions or concerns. The BOC distributed an electronic invitation and event flyer to approximately 9354 businesses. The flyer was advertised in the Small Business Exchange on March 31, 2022 and April 7, 2022 and was promoted on Norcal PTAC's event calendar and website at: <https://www.norcalptac.org/events/business-outreach-committee-boc-public-participation-meeting>.

Public Participation Meeting - April 11:

Registration Total: 57

Public	BOC Member Representatives
48	9
Attendance Total: 41	
Public	BOC Member Representatives
21	20

Comments Received:

- After the goal setting is done, do any agencies follow up with resource availability for the DBE contractor? Different types of assistance are needed for the different markets and subcontractors. An example was given that many DBE subcontractors do not know how to estimate. More assistance in the form of teaching, classes, etc. needs to be given to the DBE community so they learn how to be competitive and get bids. BOC responded stating that technical assistance and DBE supportive services are offered by the BOC. Some challenges are getting firms to participate, but the BOC will definitely look into offering more assistance.
- It was stated that an RFP for professional services is oftentimes less likely to be shown on the transit agencies websites versus capital projects and it is more challenging to find out who will be a prime when you are trying to get on a team. It was also stated that there are financial burdens in professional services. The commenter asked if there are trainings that can be offered to DBEs to get past some of the professional services challenges for developing bids? Lastly, the commenter stated that there are some agencies that have very high goals and many of the agency goals seem low. BOC responded that the BOC will offer trainings for professional services and look into what some of the barriers may be. The reason that goals may be low is that it depends on what types of contracts that are

included in the projected goal and the availability of DBEs for the contracts.

- It was stated that the mentoring and protégé program at Caltrans is a great place to network with primes and get educational opportunities. There is also a VTA supply and diversity program. It was advised that DBEs register for these programs. It was suggested that money needs to be set aside at each agency for DBE education programs on how to maneuver in the government contracting arena. Many DBEs do not understand how to do estimating and how to get a contract with a prime.
- It was stated that emerging A&E firms have a difficult time forming relationships with primes because teams are formed in advance. Many primes are hesitant to work with a smaller DBE firm.
- I appreciate all of you setting goals for us DBE's. Very often we would not otherwise have an opportunity to participate on these projects. These requirements open the doors for us.
- I encourage all agencies to continue to focus on supportive services to bolster tradespersons starting business, residential contractors moving into the public works arena, and firms seeking to grow. Working in the public works arena requires a unique skill set and we need to continue to support the DBE firms that are working for your agencies.
- Thank you for the opportunity to learn about the process.
- Focus on your Technical Support Service Program to build DBE Success!
- Work with the Ethic Chambers And Trade Associations on a Training/Education & Development Accelerator Partnering Program
- Networking with the Primes is the Key!

Questions During Registration:

- How can Diversity/Outreach Inclusion Programs provide the necessary training on estimating, bidding, and project management? This is the help that DBE firms need!

- How to partner with prime contractor
- Upcoming contracts and construction management opportunities.
- Small business network

Business Outreach Committee Public Participation Notices

THE BUSINESS OUTREACH COMMITTEE(BOC)
A CONSORTIUM OF BAY AREA TRANSPORTATION AGENCIES

Public Participation Meeting

Virtual Events – Cisco Webex Platform

Registration Required

The BOC hereby notifies all interested parties that member agencies are beginning the process of establishing Triennial Overall Disadvantaged Business Enterprise (DBE) goals for contracts and procurements that may be financed in whole or in part with Federal Transit Administration funds for Federal Fiscal Year 2023-2025. Two sessions offered:

Monday, April 11, 2022
11:30 a.m. – 1:00 p.m. (PST)

[Register Here](#)

Tuesday, April 26, 2022
10:00 a.m. – 11:30 p.m. (PST)

[Register Here](#)

MEETINGS WILL INCLUDE:

- OVERVIEW OF DBE PROGRAM
- DBE GOAL SETTING PROCESS & EXERCISE
- COMMENT PERIOD FOR INPUT ON PROPOSED DBE GOALS
- NOTICE OF UPCOMING CONTRACTING OPPORTUNITIES

WHO SHOULD ATTEND?

Disadvantaged and Small Business Enterprises | Community Based Organizations | Prime Contractors
For questions, contact Artemisé Davenport at adavenport@goldengate.org or 415-257-4581

Participating Agencies:

Marin Transit MTC NVTA Santa Cruz Metro SFCTA SFMTA SMART SolTrans Tri Delta Transit
VTA WestCat WETA

The BOC serves the disadvantaged and small business communities. It is the policy of the member agencies participating in the Business Outreach Committee that small businesses owned and controlled by socially and economically disadvantaged individuals are provided equal opportunity to participate in the construction, professional service and procurement activities of their agencies.

March 8, 2022

Dear Business Partner:

The Business Outreach Committee (BOC) invites you to participate in a virtual consultation meeting with Bay Area transit and transportation agencies to share information on the availability of Disadvantaged Business Enterprises (DBEs) and non-disadvantaged businesses, the effects of discrimination on opportunities for DBEs, and agency efforts to establish a level playing field in procurement and contracting activities. The BOC seeks your input on the methodology agencies use to determine their overall DBE goals for Federal Transit Administration (FTA) assisted contracts for Federal Fiscal Year (FFY) 2023 - 2025.

Members of trade associations, chambers of commerce, builders exchanges, and technical resource groups are invited to join in this discussion. We have included a list of proposed discussion topics and contact information for the BOC agency representatives that are participating in this meeting.

Immediately following the consultation session, BOC member agencies will conduct a virtual meeting for the public. The Public Participation meeting will include information on the role of recipients, the DBE goal-setting process, a DBE goal-setting exercise, agencies' proposed overall DBE goals, and an open forum to receive comments and/or suggestions on agencies' proposed DBE goals for the upcoming FFY. We are interested in hearing from you and the disadvantaged and small business community on how agencies can improve their DBE Programs. Please share the attached flyer with your clients.

Here are the details of the Consultation Meeting:

Consultation Session

Monday, April 11, 2022, 9:30 AM – 10:30 AM (PST)

Cisco Webex:

<https://goldengate.webex.com/goldengate/j.php?MTID=m2e2e1e06db3f21038644aabb97939b05>

The goal of the BOC is to assist small, disadvantaged and local firms in doing business with Bay Area transportation agencies. We strive to provide opportunities for small, disadvantaged, and/or local companies to expand their capacity by developing relationships with transit agency staff and the contracting community of the San Francisco Bay Area.

For questions, please contact me at adavenport@goldengate.org or 415-257-4581.

Please join us and provide your input on our efforts.

Respectfully,

Artemisé Davenport

SBE & DVBE Subcontractor/Supplier Bids Requested For:

Department of Water Resources (DWR)
Salmonid Habitat Restoration and Fish Passage – Big Notch
 Specification No. 22-04
BID DATE: Tuesday, April 12th, 2022 at 2pm
 Email quotes to jmiranda@shimmick.com

Shimmick Construction Company, Inc. is requesting quotes from certified SBE and/or DVBE subcontractors and suppliers in the following scopes of work:

SUBCONTRACTORS: Barrier Rail, Bridge-Rail Concrete, Clear & Grub, Concrete Building, Demolition, Earthwork, Electrical, Environmental, Erosion Control, Fencing, Flatwork, Grinding AC Concrete, Instrumentation, Masonry, Mechanical, CDH Piles, Post Tensioning, Rebar, Signs

SUPPLIERS: Aggregate, Bearing Pads, Expansion Joints, Fabric, Isolation Bearings, Mechanical Equipment, Misc. Metal, Pile Pipe, Sheet Pile, Steel Pipe, Plastic Utility Pipe, Precast Utility, Ready Mix, Valves & Fittings

Project information may be viewed on DWR's website, <https://caleprocure.ca.gov/event/3860/0000022389>. To view and download full plans and specifications, please contact Jamie Miranda at jmiranda@shimmick.com for a download link. You may also schedule an appointment via WebEx to discuss the documents during regular business hours.

Should you require any assistance, please contact our lead estimator Charlie Marrow at cmarrow@shimmick.com.

All items of work listed above are made available, even items of work normally performed by Shimmick. Please contact the lead estimator listed above for assistance with breaking down items of work into economically feasible units, with assistance obtaining equipment, supplies, materials, bonding, insurance, estimating, or related assistance. 100% Performance and Payment bonds with a surety company subject to approval of Shimmick Construction Company, Inc. are required of subcontractors for this project. Shimmick Construction will pay bond premium up to 1.5%. Subcontractors will be required to abide by terms and conditions of the AGC Master Labor Agreements and to execute an agreement utilizing the latest SCCI Long Form Standard Subcontract incorporating prime contract terms and conditions, including payment provisions. Shimmick Construction's listing of a Subcontractor is not to be construed as an acceptance of all of the Subcontractor's conditions or exceptions included with the Subcontractor's price quote. Shimmick Construction requires that Subcontractors and Suppliers price quotes be provided at a reasonable time prior to the bid deadline to enable a complete evaluation. For assistance with bonding, insurance or lines of credit contact David Walsh at (707) 798-2280.

Kiewit
 Kiewit Infrastructure West Co.
 2200 Columbia House Blvd., Vancouver, WA 98661
 (360) 693-1478

Request for Disadvantaged Business Enterprise ("DBE") Sub-Quotes and Proposals
 Project Name: I-105 Express Lanes Project – RFP PSB-6667
 Project Location: Interstate 105 Freeway, El Segundo to Norwalk, CA
 Project Owner: Los Angeles County Metropolitan Transportation Authority ("LACMTA")
 Project Proposal Date: April 26, 2022 @ 11am PDT
 This advertisement is in response to LACMTA's DBE Program Requirements
 DBE Contract Goal: 12%

Kiewit Infrastructure West Co. ("Kiewit") is seeking quotes from qualified DBEs to perform as subcontractors, material contractors, supplier professional services and trucks. DBEs must be certified by the California Unified Certification Program (CUCP) by bid proposal due date. DBE certification must include the North American Industry Classification System (NAICS) code(s) for the scope(s) of work you wish to perform as a DBE.

This is a public works project with a Construction Manager/General Contractor (CMGC) contract delivery structure and will be performed in two Phases – Phase 1 and Phase 2. This bid notice is for Phase 1. The project is eligible for FHWA federal-aid funding and is therefore, subject to certain statutes, rules and regulations applicable to work financed in whole or in part with federal funds, including requirements of FHWA Form 1273 and Buy America provisions.

Bid opportunities for pre-construction scopes of work (Phase 1) include, but are not limited to the following: Contract Administration • Engineering Consultant • Environmental Consultant • Estimating / Take-Offs Geotechnical Services • Hazardous Waste Testing • Modeling • MOT Design • Outreach Coordination • Potholing Investigation • Project Team Partnering Consultant • Quality Control • Scheduling Survey • Temporary Engineering • Traffic Control • Trucking • Utility Location Service

Responsive bidders must possess a valid California Contractor's license (as applicable) and provide a acceptable insurance. Bonding for 100% of the resultant agreement may be required. When bonding is required, Kiewit will reimburse bond premiums. Firms seeking contracts in excess of \$100,000, must be prequalified with LACMTA unless exempted.

DBEs INTERESTED IN SUBMITTING PRICING/QUALIFICATIONS are to complete the KIEWIT 105 QUESTIONNAIRE no later than March 29, 2022. Qualified interested bidders will receive Request for Quotes (RFQ) packages through BuildingConnected on March 30, 2022. Quote deadlines are April 16, 2022.

Create a BuildingConnected account (at no cost to Bidder) at <https://app.buildingconnected.com/create-account>. Visit www.kiewit.com/i105project for additional information about the project including plans and specifications, the Kiewit 105 Questionnaire, LACMTA Prequalification and bond assistance. Questionnaire, plans, specifications, and project information are also available for review at Kiewit's local Santa Fe Springs office, 10704 Shoemaker Ave., Santa Fe Springs, CA 90670 Monday thru Friday 7am to 4 pm by appointment.

Kiewit intends to conduct itself in good faith with all DBEs regarding participation on this project. For further information regarding insurance, bonding, project schedule or related assistance with equipment, supplies, materials, please contact Stacia Ooss, Lead Estimator at (913) 928-7109 or L105expresslanesinfo@kiewit.com.

Kiewit Infrastructure West Co. is an Equal Opportunity Employer. Employment decisions are made without regard to race, color, religion, national or ethnic origin, sex, sexual orientation, gender identity or expression, age, disability, protected veteran status or other characteristics protected by law.

 Disadvantaged and Small Business Enterprises | Community Based Organizations | Prime Contractors
 For questions, contact Artemise Davenport at adavenport@goldengate.org or 415-257-4581

time to talk

Participating Agencies:

AC Transit • BART • Caltrain/SamTrans • City of Santa Rosa • County Connection • GGBHTD
 Marin Transit • MTC • NCTA • Santa Cruz Metro • SFCTA • SMTA • SMART • SolTrans • Tri Delta Transit
 VTA • WestCat • WETA

The BOC serves the disadvantaged and small business communities. It is the policy of the member agencies participating in the Business Outreach Committee that small businesses owned and controlled by socially and economically disadvantaged individuals are provided equal opportunity to participate in the construction, professional service and procurement activities of their agencies.

Building a Stronger Construction Workforce to Overcome the Great Resignation

Continued from page 1

bring with them. The industry can capitalize on the shifting job market if opportunities are communicated well.

Bridgit went through a similar challenge. We consistently heard that barriers to entry in tech were high, so we hosted a "Getting into Tech" event to showcase the opportunities that exist outside of just writing code. We sold out in half an hour. We learned that if we presented the full scope of the opportunities available, more people would listen, and we could cast a wider net. This not only helped us grow our team faster, but it built a diverse team with people from different industry backgrounds who continue to bring new perspectives to the table to this day.

How is your own company strategizing to retain talent amidst the Great Resignation?

Passion, purpose, and belonging. Transforming the workforce planning process for an entire industry doesn't happen overnight. Bridgit Bench helps general contractors put their people first and we truly believe in what we're building. Knowing we're making a significant change in our users' lives and the ripple effect it will have throughout their company gives our team an incredible sense of purpose.

At Bridgit, we focus a lot on teamwork and our employees have felt close to each other and supported despite the effects of the pandemic.

Carrying out the vision excites our team and the strong camaraderie and bond between team members has made our company strong, despite the changes in the work environment happening right now.

Do you think more construction firms will prioritize family-friendly policies in the future of work?

We've seen, both with Bridgit and our customers, the impact of prioritizing your people. Knowing your company is looking after your needs and creating a team environment for everyone helps you be excited for the challenges ahead.

When it comes to a people-first approach, we practice what we preach. We've seen the importance of trusting our team and giving them the power to make their own decisions about how they work. Giving this space has allowed our people to perform at their best. At Bridgit we give team members flexibility in location and hours, we have an open vacation policy to empower employees to take time for themselves, and we have expanded our parental leave plan so our people can put their families first. We are intentional in building a diverse team and can proudly say we have a 50/50 gender split across our team of 100 people.

THE BUSINESS OUTREACH COMMITTEE (BOC)
A CONSORTIUM OF BAY AREA TRANSPORTATION AGENCIES

MEET THE BUYERS PROCUREMENT FORUM

Expand your business with public transit and transportation agencies

Meet BOC representatives, and BOC purchasing and contracting staff

Gain strategies for success

Learn about upcoming contracting opportunities

Share your Capabilities Statement

[Click here](#) to upload files.

Thursday, January 27, 2022 | 11:00 a.m. – 12:30 p.m.

Virtual Event – Zoom Platform

Disadvantaged and Small Business Enterprises are highly encouraged to attend!

[Register Here](#)

For questions, contact Luz Campos, lcampos@bayareametro.gov or 415-778-5390.

The BOC serves the disadvantaged and small business communities. It is the policy of the member agencies participating in the Business Outreach Committee that small businesses owned and controlled by socially and economically disadvantaged individuals are provided equal opportunity to participate in the construction, professional service and procurement activities of their agencies.

THE BUSINESS OUTREACH COMMITTEE (BOC) A CONSORTIUM OF BAY AREA TRANSPORTATION AGENCIES

Participating Firms:

MEET THE PRIMES

PROFESSIONAL SERVICES

Thursday, October 21, 2021

1:00 p.m. – 2:30 p.m.

The Business Outreach Committee (BOC) will host a Meet the Primes Networking event in a virtual format to introduce small and disadvantaged businesses to Professional Service primes and representatives of the region's public transit and transportation agency members.

Discussion Topic: Barriers to new DBE/SBE entry

Disadvantaged and Small Business Enterprises encouraged to attend!

This is an opportunity to connect disadvantaged and small businesses with participating transit and transportation agencies and government entities.

Does your company provide: planning, design, engineering, analysis, contracting, communications, surveys, consulting, information technology or other services that can help transportation agencies serve the community?

- Learn about current & upcoming contracting opportunities
- Network with public agency's staff and other small businesses
- Expand your business with transit & government entities

The BOC serves our disadvantaged and small business communities. It is the policy of the member agencies participating in the Business Outreach Committee that small businesses owned and controlled by socially and economically disadvantaged individuals are provided equal opportunity to participate in the construction, professional service and procurement activities of their agencies.

THE BUSINESS OUTREACH COMMITTEE (BOC)

A Consortium of Bay Area Transportation Agencies

2 FREE Small Business Certification Webinars

Tuesday, March 9, 2021 at 10AM

1 Small Business Enterprise (SBE) Certification Webinar

Hosted by Department of General Services

This webinar is presented by the California Department of General Services. Learn about the different small business certification types, how to become certified and the application process.

Registration is Required

[Click here to register for SBE Certification Webinar](#)

Tuesday, March 16, 2021 at 10AM

2 Disadvantaged Business Enterprise (DBE) Certification Webinar

Hosted by Santa Clara Valley Transportation Authority

Learn about the DBE Program, specific instructions to completing the application, the certification process and free DBE supportive services.

Registration is Required

[Click here to register for DBE Certification Webinar](#)

Partnering Agencies:

FOR MORE INFORMATION:

Contact Artemise Davenport at adavenport@goldengate.org or 415-257-4581

THE BUSINESS OUTREACH COMMITTEE (BOC) A CONSORTIUM OF BAY AREA TRANSPORTATION AGENCIES

RESCHEDULED FREE DBE CERTIFICATION WEBINAR

Presented by Certifying Agency Members of the California Unified Certification Program

TUESDAY, AUGUST 11, 2020 | 11:00AM - 1:00PM

REGISTRATION: [Click here](#)

PRESENTATION:

- Overview of the U.S. Department of Transportation DBE Program, 49 Code of Federal Regulations Part 26, Subparts D and E, Certification Standards and Procedures
- Instructions for completing the DBE Certification Application
- Documents required for submittal
- Certification and on-site review process during COVID-19

BENEFITS OF DBE CERTIFICATION:

- Increased opportunities to participate in federally-funded/assisted projects.
- Accessible to primes needing to meet DBE goals established on projects
- Mentor protégé opportunities
- Federal certification highly recognized nationwide
- Free DBE Supportive Services

Participating DBE Certification Staff from the following agencies:

FOR MORE INFORMATION:

contact Artemise Davenport at
adavenport@goldengate.org or 415-257-4581

THE BUSINESS OUTREACH COMMITTEE (BOC) A CONSORTIUM OF BAY AREA TRANSPORTATION AGENCIES

CURRENT ISSUES IN CONTRACTING DIVERSITY PROGRAMS:

Proposition 16 & Legal Trends

Please join us for an informative session with Colette Holt!

Attorney Colette Holt will discuss the current legal climate for government diversity programs and how agencies can begin to prepare to consider effective race- and gender-conscious programs if Proposition 16 is adopted. Ms. Holt is a nationally recognized expert in designing, implementing and defending affirmative action programs. Ms. Holt provides legal counsel and consulting services to governments and businesses on procurement and contracting and issues relating to inclusion, diversity and affirmative action. Her firm has over 20 years of experience in the areas of diversity and inclusion for government contracting.

FRIDAY, SEPTEMBER 25, 2020 @ 10:00AM (PST)

Disadvantaged and Small Business Enterprises are encouraged to attend.

[PLEASE REGISTER FOR THIS FREE WEBINAR HERE](#)

Meeting ID: 853 4104 7368

Passcode: 614636

The goal of the Business Outreach Committee (BOC) is to assist small and disadvantaged companies in doing business with Bay Area Transit and Transportation Agencies.

Doing Business with Bay Area Transit Agencies

The Business Outreach Committee (BOC) is a conglomeration of Bay Area transit and transportation agencies working together to assist Disadvantaged Business Enterprises (DBEs) and Small Business Enterprises (SBEs) through training, providing technical assistance, and relationship-building with agency staff and the contracting community of the San Francisco Bay Area.

DBE programs are required by the U.S. Department of Transportation (DOT), and as recipients of DOT funding, transportation agencies are required to:

- Adopt DBE programs and policies
- Establish overall and contract-specific DBE and SBE goals
- Encourage utilization of certified DBE firms and
- Act as a resource to DBEs and SBEs

Some agencies have also adopted SBE and/or Local Business Enterprise (LBE) Programs that apply to non-federally and federally-funded procurements and contracts.

How the BOC Can Help

BOC members can:

- ❖ Explain DBE, SBE, and LBE program goals and needs
- ❖ Alert you about upcoming Invitations for Bids (IFB) and Requests for Proposals (RFP) at individual agencies
- ❖ Answer questions about specific bid opportunities
- ❖ Offer DBE certification classes for your area
- ❖ Provide contact information of prime contractors on specific jobs
- ❖ Add your firm to appropriate bidders' lists
- ❖ Help you locate support services
- ❖ Assist DBE, SBE and LBE firms with agency contracts

What is a DBE?

A DBE is defined as:

- A for-profit small business concern
- At least 51 percent owned and controlled by one or more individuals who are both socially and economically disadvantaged. Such individuals could be Black Americans, Hispanic Americans, Native Americans, Asian-Pacific Americans, Subcontinent Asian Americans, Women, and any additional groups on a case-by-case basis
- Personal net worth does not exceed \$1.32 Million

DBE Resources

<https://dot.ca.gov/programs/civil-rights/dbe>

How to Get Certified as DBE Firm

Most of the BOC agencies participate in the California Unified Certification Program (CUCP), which offers "one-stop shopping" to interested firms. Firms only need to apply to one participating CUCP agency for certification in the state of California. Follow these guidelines to get certified:

- ❖ Go to the California Department of Transportation Office of Business & Economic Opportunity at <https://dot.ca.gov/programs/civil-rights/dbe-certification-information> and check if your firm meets the eligibility criteria as stated in **49 Code of Federal Regulations Part 26**.
- ❖ Complete the online CUCP DBE Certification Application Package. Reach out to the certifying agency located closest to your primary business location for questions or assistance with the online application process.
- ❖ The CUCP certifying agency will determine whether a firm qualifies for DBE certification after a thorough review of the firm's application, documentation and information obtained from an on-site visit.
- ❖ A DBE certification issued by one CUCP member will be accepted by all other CUCP member agencies. **DBE certifying agencies in the Bay Area are BART, Caltrans, SFMTA, SamTrans, and VTA. A business owned and operated by socially and economically disadvantaged individual(s) does not have to be a certified DBE to bid on or be awarded contracts.**
- ❖ Contact the staff of any BOC member agency listed below via phone or email for information on their respective agency and/or to receive assistance with procurements.

How Can We Be of Service to You?

Contact me regarding bidding opportunities. *(Note: most outreach notifications are via email.)*

Share my company information with procurement officers.

Organize a DBE certification workshop in my area.

Other _____

Name/Title _____

Company Name _____

Address _____

City/State/Zip _____

E-Mail Address _____

Telephone _____

I am a certified DBE Yes No

My company is a Supplier; Construction Trade; Consultant; Manufacturer; Other, specifically _____

The focus of my company is (for example, paving contractor, office supply retailer, construction management, etc.) _____

NAICS codes/categories for which my company qualifies (if known) _____

Submit this form via fax 415-257-4555, or email to adavenport@goldengate.org. Information submitted will be disseminated to the DBE Liaison Officer at each of the Business Outreach Committee agencies.

DBE Supportive Services (DBE/SS) Northern Region QUICKSTART CERTIFICATION CHECKLIST

In order to complete your application for DBE certification you will be required to attach the following documents. Gathering these documents now will help the certification process go faster and more smoothly.

No need to be intimidated by this list – your PTAC Specialist is here to help! They can answer any questions you have and provide guidance on what and how to collect.

REQUIRED DOCUMENTS FOR ALL APPLICANTS

- Resumes (that include places of employment with corresponding dates), for all owners, officers, and key personnel of the applicant firm
- Personal Net Worth Statement for each socially and economically disadvantaged owners comprising 51% or more of the ownership percentage of the applicant firm.
- Personal Federal tax returns for the past 3 years, if applicable, for each disadvantaged owner
- Federal tax returns (and requests for extensions) filed by the firm and its affiliates with related schedules, for the past 3 years.
- Documented proof of contributions used to acquire ownership for each owner (e.g., both sides of cancelled checks)
- Signed loan and security agreements, and bonding forms
- List of equipment and/or vehicles owned and leased including VIN numbers, copy of titles, proof of ownership, insurance cards for each vehicle.
- Title(s), registration certificate(s), and U.S. DOT numbers for each truck owned or operated by your firm
- Licenses, license renewal forms, permits, and haul authority forms
- Descriptions of all real estate (including office/storage space, etc.) owned/leased by your firm and documented proof of ownership/signed leases
- Documented proof of any transfers of assets to/from your firm and/or to/from any of its owners over the past 2 years
- DBE/ACDBE and SBA 8(a), SDB, MBE/WBE certifications, denials, and/or decertifications, if applicable; and any U.S. DOT appeal decisions on these actions.
- Bank authorization and signatory cards
- Schedule of salaries (or other remuneration) paid to all officers, managers, owners, and/or directors of the firm
- List of all employees, job titles, and dates of employment.
- Proof of warehouse/storage facility ownership or lease arrangements

PARTNERSHIP OR JOINT VENTURE

- Original and any amended Partnership or Joint Venture Agreements

CORPORATION OR LLC

- Official Articles of Incorporation (signed by the state official)
- Both sides of all corporate stock certificates and your firm's stock transfer ledger
- Shareholders' Agreement(s)
- Minutes of all stockholders and board of directors meetings
- Corporate by-laws and any amendments
- Corporate bank resolution and bank signature cards
- Official Certificate of Formation and Operating Agreement with any amendments (for LLCs)

OPTIONAL DOCUMENTS TO BE PROVIDED ON REQUEST

The UCP to which you are applying may require the submission of the following documents. If requested to provide these document, you must supply them with your application or at the on-site visit.

- Proof of citizenship
- Insurance agreements for each truck owned or operated by your firm
- Audited financial statements (if available)
- Personal Federal Tax returns for the past 3 years, if applicable, for other disadvantaged owners of the firm.
- Trust agreements held by any owner claiming disadvantaged status
- Year-end balance sheets and income statements for the past 3 years (or life of firm, if less than three years)

SUPPLIERS

- List of product lines carried and list of distribution equipment owned and/or leased

DBE Supportive Services (DBE/SS) Northern Region QUICKSTART CERTIFICATION FLOWCHART

1

If an individual demonstrates that he/she is able to accumulate substantial wealth, the individual's claim of economic disadvantage may be denied, even though the individual's PNW is less than \$1.32 million.

2

Business Size Standards are set by the US Small Business Administration (SBA). Size standards are a three year average annual receipts. Visit 13 CFR §121.201 or <http://sba.gov/size> for more information.

3

Social & Economical Disadvantaged Groups:
 1. Hispanic
 2. Black
 3. Subcontinent Asian
 4. Native American
 5. Asian Pacific
 6. Female

6

Individual Determination of Social & Economic: Disadvantage Individuals who do not fall within six presumptive groups are encouraged to Visit Appendix E to Part 26 for SBA regulations concerning social & economic disadvantage determinations. 13 CFR 124.103(c) & 124.104.

YOU'RE CERTIFIED, NOW WHAT?

ENROLL IN THE DBE SUPPORTIVE SERVICES (DBE/SS) NORTHERN REGION AT NORCAL PTAC
